

Branding Event: Grand Opening!

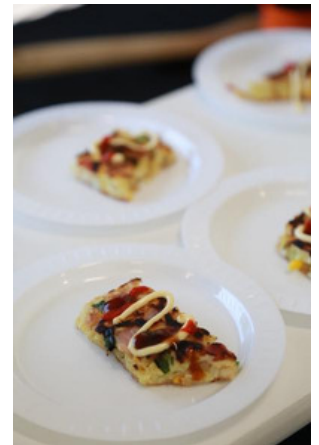

Willis Lexus of Des Moines was gracious enough to let us be a part of their Opening this Summer. They have a beautiful showroom and service area and they wanted to show off to their clients. And did they show off! Their marketing team delivered a wonderful party, celebrating the Japanese style of Lexus.

With Japanese calligraphers, acrobats, Chris Maharry Photography, Music by the Brazilian 2wings, and Japanese Drummers to impress. They allowed us to create a fun and interactive Japanese menu to follow suit.

- Sugar & Spice Shrimp
